Whole Root Trees
Plant Stark Bros. Old Oak Process

No matter whether you have a 60x60 back yard or a big farm, you want to produce a maximum amount of fruit on the land planted. This spring plant Stark Bros. early bearing, hardy, high quality fruits, the you can grow your vegetables and small fruits between the rows, thus getting two crops from the same land.

The cultivation of the vegetables will help the growth of the trees and make them bear sooner. Those interested please phone 156d or call at residence.

Mrs. Everett Lambeth, Stark Bros. Representative. 11 2t

This Means You.
No hunting with dogs or guns allowed on my land.—George Earl 9-tf

Remember.
Wheat wants your produce—Cream, butter, eggs and poultry.

No Hunting.
Hunting on my farm, with or without dogs, is forbidden and parties found disregarding this notice will be prosecuted.—George Walz and Son. 11 8tx

LOOK AHEAD!

We have the big fight for Freedom ahead of us, not behind.

ACT NOW

Make all garden products count in the struggle to save the wheat needed at the front.

Allow no vegetables or fruit to spoil when whole nations are depending on America for food. It would be an unforgivable crime.

What garden stuffs you cannot use today, can or preserve for the winter. We shall need all our food resources.
